Attention Arnold Parents:

Beginning August 22, 2016, students can no longer be dropped off before 7:40 am in the cafeteria without registering for before-school care through the Office of Community Programs. See the link below:

<http://www.cfisd.net/en/parents-students/community-programs/after-school-programs/club-rewind/>

If you decide not to register for this option, then your student must either ride his/her assigned school bus or wait to be dropped off at 7:40 am. Thank you for your consideration in helping create a safe campus environment.

Sincerely

Arnold Administration
