August 24, 2018

Attention Arnold Parents:

Beginning August 27, 2018, students can no longer be dropped off before 7:45 am. Club Rewind is no longer being offered for middle school students. We do not have the staff to monitor students before or after school.

To help eliminate waiting in a very long line to drop off your student, and for the safety of your student, we suggest that your student ride his/her assigned school bus to and from school or wait to be dropped off at 7:45 a.m. and picked up at 3:20 p.m.

Thank you for your consideration in helping create a safe campus environment.

Sincerely,

Arnold Administration
